Men get to choose whether to have vaginal sex, whether to have vaginal sex with a fertile woman (vs]

so if we are going to base a whole diet and lifestyle on something at least let it be something that there is sufficient evidence to say it is probably true

If I happen to be voting anyway, I'd pull the lever for it

Caster said the Federal Trade Commission has the authority to make sure the advertising of any product, including dietary supplements, is truthful, substantiated and not misleading

After this, the camera could still shoot, but at a less-impressive 1.8 fps
